

OUR MISSION DRÉA'S DREAM

REACHING OUT ACROSS THE COUNTRY

ACCOMPLISHMENTS

The **Andréa Rizzo Foundation** will raise funds to help children with cancer and special needs, fostering Andréa's dream of providing dance therapy to fragile children.

The **Andréa Rizzo Foundation** is the only 501(c)(3) tax exempt organization in the United States that provides grants that fund dance therapy programming exclusively for children with cancer and special needs. Programs are led by trained Dance/Movement Therapists registered with the American Dance Therapy Association. In addition, the Foundation funds expressive movement programs for the same pediatric population that are directed by dance professionals of the highest caliber.

The **Andréa Rizzo Foundation** is a non-profit corporation dedicated to the growth and success of *Dréa's Dream*; a dance therapy/expressive movement program for children with cancer and special education needs...in hospitals, special education classrooms and medical settings.

Dance Across America™ Is a fundraising initiative that offers dancers the opportunity to support our cause while combining compassion with their love of dance.
