Let your Heart
move your Feet™

the Foundation

The Andréa Rizzo Foundation funds Dréa's Dream pediatric dance therapy programming in memory of a lifelong dancer, special education teacher and childhood cancer survivor who was killed by a drunk driver at age 24. She knew the impact that dance had on her own healing. Andréa's dream was to help children with cancer and special needs through her love of dance!

The Andréa Rizzo Foundation raises funds to provide Dance/Movement Therapy (DMT) in renowned hospitals, special education classrooms, Ronald McDonald Houses and medical settings throughout the country.

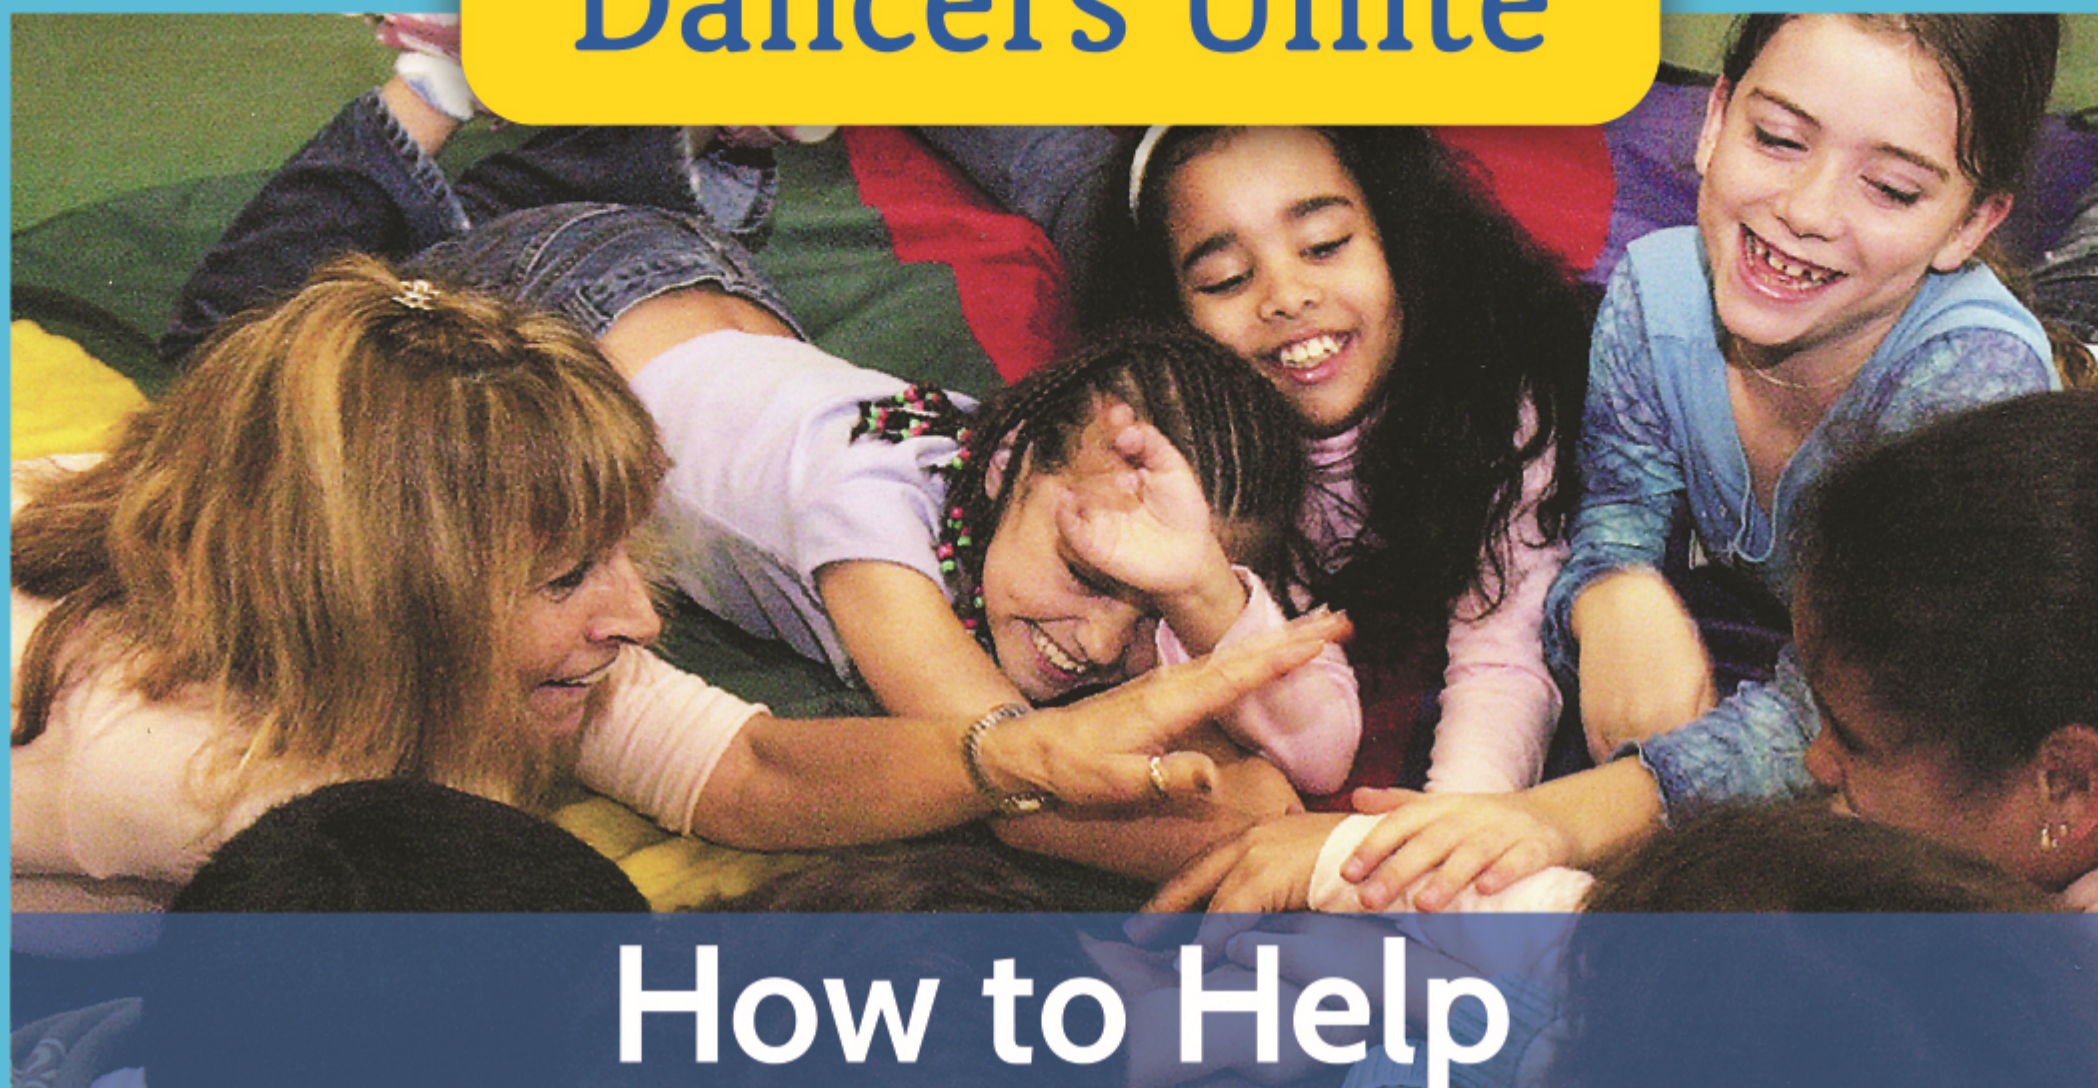

The Andréa Rizzo Foundation is the only 501(c)(3) tax exempt, nonprofit organization in the nation that solely funds Dance/Movement Therapy for fragile children.
